NCTS Events - Overview

Foundation Rifle Course (FRC)	Description: Foundation Rifle Shooting Training. Prerequisites: None.
Advanced Rifle Course (ARC)	Description: Advanced Rifle Shooting Training. Prerequisites: Completed FRC course
Night Vision Goggles (NVG)	Description: Low Visibility Shooting Training Using Night Vision Goggles (NVG). Prerequisites: Completed FRC and ARC courses
Advanced Night Vision Goggles (ANVG)	Description: Advanced Low Visibility Shooting Training Using Night Vision Goggles (NVG). Prerequisites: Completed FRC, ARC and NVG courses

Event Summary

This training event addresses the needs of civilian clients willing to improve their skills, tactics, and resilience, to ensure they are well-prepared for modern warfare challenges. It builds on top of the BRC, ARC and NVG Courses.

NCTS extends this proposal towards candidates seeking group training (up to **8 participants**) organized and conducted by **former GROM operators**.

Events will be held in Wiechlice Airbase Shooting Range (<https://airbase-range.com/>) – one of the largest shooting ranges in Europe.

About NCTS

North Coast Tactical Solutions (“NCTS”) was founded by Zbigniew Radecki, a decorated **GROM veteran**, a renowned Polish Special Operations Forces operative with close to a decade of combat experience in warzones, including missions in **Afghanistan** and **Iraq**, as well as private contractor in the **Ukraine**. In recognition of his exceptional efforts, he was awarded “The Army Achievement Medal with ‘C’ Device”.

Our team possesses expertise in counter-terrorism land and sea Special Operations, extensive experience in international combat missions,, handling of high-risk VIP operations, and expertise in explosive ordnance disposal (EOD).

Mr. Radecki was personally responsible for the Firearms Manipulation training of Bravo Squadron during the team’s deployment in Iraq and Afghanistan. Additionally, between 2015 and 2022 he oversaw the shooting training process for the Bravo Squadron’s 1st Group in Poland.

Training Structure and Cycles

The training will take place over two full days between Friday and Sunday, with the exact timeline adjusted to participants' arrival times.

We suggest the following session schedule:

Session I	Friday - Day Session	11:00 – 16:00
Session II	Friday - Night Session	18:00 – 23:00
Session III	Saturday - Day Session	11:00 – 16:00
Session III	Saturday - Night Session	18:00 – 23:00

Provided Equipment

⚠ This training assumes that the participants provide their own equipment and ammo rounds.

⚠ In all instances, NCTS is responsible for supplying NVG equipment.

Upon request and against an additional charge, NCTS will provide each participant with the following equipment for the training sessions:

Rifle	AR-15
Ammo	at least 900 rounds of 5.56 × 45 at least 300 rounds of 9 × 19 PARA
Optics	Eotech EXPS red dot (holographic) sights (or similar quality)
Lasers	DBAL A2/PEQ-15
NVG	Night Vision Goggles (at least 2100 FOM) + Helmet
Steel Targets	MTS Targets

Roles and Responsibilities

Responsibilities of NCTS

- Preparation and conducting of training sessions.
- Upon request and for an additional charge, weapons and ammunition can be provided during the sessions (NOTE: requests must be submitted no later than 30 days before the event)
- Medical assistance during the sessions.
- Providing catering during the training sessions.

If group training is conducted (i.e., not individual sessions), one instructor will be required for every four participants.
