Rifle Master Course (Individual Training)

NCTS offers the Rifle Master Course (RMC) for individuals, building on the curriculum of our group training programs (**FRC, ARC, NVG, ANVG**). The RMC focuses on intensive, personalized training to develop muscle memory for each pistol and rifle exercise. The course pace is tailored to the trainee's skill level ensuring an effective learning experience and adequate skill progression.

Events will be held in Wiechlice Airbase Shooting Range (<https://airbase-range.com/>) – one of the largest shooting ranges in Europe.

About NCTS

North Coast Tactical Solutions (“NCTS”) was founded by Zbigniew Radecki, a decorated **GROM veteran**, a renowned Polish Special Operations Forces operative with close to a decade of combat experience in warzones, including missions in **Afghanistan** and **Iraq**, as well as private contractor in the **Ukraine**. In recognition of his exceptional efforts, he was awarded “The Army Achievement Medal with ‘C’ Device”.

Our team possesses expertise in counter-terrorism land and sea Special Operations, extensive experience in international combat missions,, handling of high-risk VIP operations, and expertise in explosive ordnance disposal (EOD).

Mr. Radecki was personally responsible for the Firearms Manipulation training of Bravo Squadron during the team’s deployment in Iraq and Afghanistan. Additionally, between 2015 and 2022 he oversaw the shooting training process for the Bravo Squadron’s 1st Group in Poland.
